Doug Carter is an excellent recruiting professional who is a great supporter of Estes Park Medical Center. I find Doug to be very strong in his role. Doug finds out what our needs are and what type of individual we want and then brings candidates that met both our cultural and technical specifications. He is one of the strongest recruiters I work with.

Through the years he has proven himself to be a wonderful recruiter, strong coach, and a top notch person who knows the industry. I would definitely recommend Doug for any company.
