TO WHOM IT MAY CONCERN:

It is at this time that I take great pleasure in recommending the Ironside Human Resource Team to help you with your medical placement needs.

I found them about 3 years ago and have used them exclusively as they have excelled at finding placements for us in our small, rural hospital. They have an exceptionally well-trained staff that works diligently to find the people you need. They have relocated RN's (Director, medical/surgical floor and geripsych) as well as MT and MTL's for our laboratory to our small rural town.

Doug Carter, the owner, can be reached at 1-214-800-2825. If you have medical personnel needs I strongly urge you to call, and I am

confident he can provide you with exactly the expertise you need. Good luck with your search!
