To Whom it may concern,

I have utilized Ironside HR for several positions our hospital was recruiting. I have had excellent results, with top candidates presented each time I have utilized their services! Doug and his team go out of their way to ensure that they are sending candidates for interviews who are qualified and who have a true interest in the area, and are experienced in the area they are recruiting for. I would highly recommend Doug Carter and his team of professionals for any of your recruitment needs.

If you have any questions, please feel free to contact me.

Sincerely,
